

CARSON H. BOWMAN JR.

TECHNICAL COLLEGE ADMINISTRATION | WORKFORCE DEVELOPMENT | CTE SYSTEMS LEADERSHIP
(941) 276-6936 | carbow90@gmail.com | Tampa Bay, Florida

EXECUTIVE PROFILE

Technical college administrator with 14 years of progressive leadership across postsecondary career education, K-12 administration, adult education, workforce development, and private-sector business development. Provides administrative oversight for 14 career, technical, and adult education programs while leading grant-funded modernization, apprenticeship design, accreditation readiness, institutional safety, and regional workforce partnerships.

SELECTED IMPACT

\$1.4M+ in state and federal grant-funded initiatives across adult education and advanced manufacturing.

4,000 OJT hours and 288 hours of related technical instruction designed for the PSTA registered apprenticeship.

14 programs under administrative oversight across manufacturing, transportation, construction, business, and adult education.

First IET pathways at PTC Clearwater in HVAC/R and Accounting Operations, expanding access for adult learners.

PROFESSIONAL EXPERIENCE

Assistant Director

July 2021 - Present

Pinellas Technical College - Clearwater Campus

- **Administrative scope:** Provide administrative leadership for 14 career and technical education and adult education programs and a multidisciplinary instructional team.
- **Program performance:** Lead curriculum alignment, instructor development, advisory engagement, equipment planning, enrollment, completion, placement, licensure, compliance, and student support.
- **Capital modernization:** Directed implementation of a \$242,950 Perkins V Equipment Upgrade and Modernization award supporting Mitsubishi sinker and wire EDM acquisition for Machining Technologies and apprenticeship instruction.
- **Apprenticeship development:** Designed and coordinated the Pinellas Suncoast Transit Authority Fleet/Transit Bus Technician Registered Apprenticeship, a two-year hybrid model with 4,000 hours of on-the-job learning and 288 hours of related technical instruction.
- **Program innovation:** Developed PTC Clearwater's first Integrated Education and Training pathways in HVAC/R and Accounting Operations.
- **AI leadership:** Chair the AI Collaborative Integration Committee, guiding responsible AI adoption, professional learning, governance, and student workforce readiness.
- **Enrollment strategy:** Led a targeted manufacturing recruitment campaign for Machining, Welding, and Cabinetmaking using Element451 landing pages, Peachjar outreach, and structured prospect follow-up.
- **Institutional operations:** Serve as Campus Safety Administrator and support COE accreditation readiness, federal IPEDS reporting, emergency preparedness, drills, threat assessment, and interagency response.

CURRENT STRATEGIC INITIATIVES

- **Credential policy:** Leading a 2026 credential-retention strategy to preserve critical NIMS machining credentials on Florida's Master Credentials List and CAPE system through wage validation, SOC alignment, and employer support.
- **Lab modernization:** Directing advanced-manufacturing lab modernization involving EDM, metrology/CMM, Haas equipment deployment, facility planning, vendor coordination, safety, and instructional integration.
- **Faculty development:** Established a modular new-instructor onboarding model using pre-assessments, administrator conferences, standards-based lesson deliverables, and recurring program-review meetings.
- **Curriculum systems:** Directed development of standards-based automotive performance assessments, multi-standard scoring tools, a one-page work order, and inspection documentation for authentic lab use.

PROFESSIONAL EXPERIENCE - CONTINUED

Assistant Principal June 2019 - July 2021
Morgan Fitzgerald Middle School

- **Department leadership:** Supervised Math, Related Arts, Athletics, and Plant Operations while supporting schoolwide instructional and operational priorities.
- **School operations:** Led campus safety protocols, emergency procedures, cross-functional response planning, and data-informed instructional improvement.

Program Coordinator - Career Technical Adult Education December 2015 - June 2019
Pinellas County Schools

- **District leadership:** Managed districtwide adult education programming, evaluation, professional development, and cross-site implementation.
- **Grant portfolio:** Played a lead role in developing and implementing Adult General Education and Civics grants totaling \$1,191,876.
- **Resource deployment:** Facilitated distribution of \$45,000 in specialized equipment to district technical programs and secondary schools.
- **Statewide presentation:** Presented at the ACE of Florida State Conference on local data tracking and data-driven professional development.

Business Development Specialist April 2015 - September 2015
SAK Enterprises

- **Business development:** Managed commercial floodproofing projects, delivered AIA continuing-education presentations, and developed municipal and emergency-management relationships across Florida.

Assistant Athletic Director August 2014 - December 2015
Port Charlotte High School

- **Athletic administration:** Supported athletic operations, event administration, student supervision, and schoolwide leadership responsibilities.

Personal Finance Instructor / ESE English Teacher January 2012 - May 2015
Port Charlotte High School

- **Instruction:** Taught Personal Finance and ESE English I-IV and supported early career and technical course integration at the secondary level.
