

CARSON H BOWMAN JR

TECHNICAL TRAINING AND WORKFORCE DEVELOPMENT

St. Petersburg, Florida | (941) 276-6936 | carbow90@gmail.com

Professional Profile

Education and workforce development leader with more than 14 years of experience across technical education, adult learning, school leadership, and employer partnerships. Lead 14 career-certificate and adult-education programs and approximately 22 instructors. Experience includes instructor development, apprenticeship design, training equipment modernization, grant administration, and accreditation support. Connect program delivery, hands-on assessment, and industry credentials to employer expectations.

Core Expertise

Technical Training Operations | Instructor Development | Adult Learning
Apprenticeship Design | Performance-Based Assessment | Employer Partnerships
Equipment Modernization | Grant Administration | Accreditation and Program Evaluation

Professional Experience

Assistant Director

Pinellas Technical College Clearwater | July 2021 to Present

- Lead 14 programs and approximately 22 instructors across diesel, advanced manufacturing, skilled trades, business, and foundational learning; coordinate instructional delivery, staff support, and program-improvement priorities.
- Develop instructors transitioning from industry into education through coaching on lesson design, student engagement, practical assessment, and credential preparation. Connect hands-on tasks and scoring criteria to program frameworks and employer expectations.
- Led development and state-review coordination of PSTA's Diesel Mechanic apprenticeship occupation, approved by the Florida Department of Education in December 2025. Structured competency-based training standards specify 4,500 OJT hours over approximately 27 months and 288 hours of related technical instruction; coordinated employer and agency stakeholders.
- Secured and administered a \$242,950 Perkins V equipment modernization grant, leading project design, narrative, budget, state responses, procurement, implementation, and post-award compliance.
- Directed implementation of grant-funded Haas CNC, Mitsubishi EDM, five-axis, and Zeiss CMM training equipment. Coordinate technical-program modernization with instructional needs and employer-aligned skill development.
- Developed the college's first Integrated Education and Training pathways in HVAC/R and Accounting Operations. Selected and implemented GED, ABE, and ESOL digital curricula, trained instructors, and coordinated equipment rollout.
- Support accreditation documentation and operational readiness, including the 2024 Council on Occupational Education reaccreditation process, which resulted in two institutional commendations. Manage IPEDS data submission and verification.

Assistant Director continued

Pinellas Technical College Clearwater | July 2021 to Present

- Work with advisory committees, CareerSource, NIMS, state agencies, and employers to align training and credentials. Industry engagement includes PSTA, United Rentals, MITER Brands, Honeywell, and Tampa Florida Kenworth.
- Review attendance, completion, placement, credential readiness, and instructional performance to identify improvement priorities. Lead Cabinetmaking I and II proposal development, including curriculum redesign and state review.
- Chair the AI Collaborative Integration Committee and guide practical AI use in instruction and operations. Led college-wide Element451 CRM implementation and launched an online bookstore.

Assistant Principal

Morgan Fitzgerald Middle School | Pinellas County Schools | June 2019 to July 2021

- Supervised Mathematics, Related Arts, Athletics, and Plant Operations; coordinated employee performance, professional learning, school operations, and emergency-readiness priorities.

Program Coordinator Career Technical Adult Education

Pinellas County Schools | December 2015 to June 2019

- Managed districtwide adult-education program implementation, evaluation, professional learning, and continuous improvement. Developed local data-tracking practices to guide instructional support and program decisions.
- Held a lead role in grant writing and implementation for a \$1,054,306 Adult General Education award and a \$137,570 Civics award, totaling \$1,191,876 in documented funding.
- Facilitated \$45,000 in specialty-equipment delivery to three schools and supported a 2017 articulation agreement connecting high school programs with PTC Clearwater.

Business Development Specialist

SAK Enterprises | April 2015 to September 2015

Managed FEMA-compliant floodproofing projects, developed municipal and design-sector relationships, and delivered AIA continuing-education presentations to architects and engineers.

Earlier Leadership and Instructional Roles

Port Charlotte High School | January 2012 to December 2015

Assistant Athletic Director, Personal Finance Instructor, and ESE English Teacher. Assignments overlapped during this period.

Education and Credentials

PhD in Curriculum and Instruction, Career and Workforce Education | University of South Florida | In progress, 2026 to Present
